
Energy-Saving Resources

Web Resources

Green@Home

This site has links to additional resources for saving energy at home, and also has a link to the Cool-It! Carbon Calculator.

www.acterra.org/greenathome

Acterra

This site has links to Acterra's calendar of events, classes, and volunteer opportunities.

www.acterra.org

City of Palo Alto Utilities

Here is the home page for the Palo Alto Green renewable energy program, where you can find out more and sign up online.

www.cpau.com/programs/green

The site is Palo Alto's Home Energy Center, where you can analyze your home energy use. You'll also find calculators and energy-saving tips.

www.cpau.com/myutilitiesaccount/energyanalysis

PG&E

This site is PG&E's home page for energy-saving resources, with links to many tools, calculators, and conservation tips.

www.pge.com/res/rebates/energy_tools_resources/

Energy Star

This the U.S. government's Energy Star site, where you can get detailed information on Energy Star qualified appliances, home electronics, and other products.

www.energystar.gov

Acterra

Action for a Sustainable Earth
3921 East Bayshore Road,
Palo Alto, California 94303
